

I believe it is the FCC's duty to enforce the law and I expect that you will comply by not allowing Sinclair to run this propaganda piece against Senator Kerry before the election, simply to discredit him in a 90 minute campaign add. Any political adds which air must be paid for by the minute by the organization which is running the add. This needs to be true for Sinclair as well. This is an illegal act and directly against not only the FCC regulations, but also against the spirit of American debate.

DO NOT ALLOW SINCLAIR TO RUN THIS GARBAGE. Thank you, Mary Ann Fahlstrom
